

Paratransit Application

Greetings! Please take a moment to read this letter before filling out your application. It contains information that will be helpful to you and your Qualified Professional.

Purpose

The Americans with Disabilities Act (ADA) requires that we provide our LIFT service as a “safety net” for people who cannot use our Fixed Route service (big blue buses) by themselves because of a disability. We work hard to make Fixed Route accessible. We intend it to be the main mode of public transportation for everyone in Longview and Kelso, including people with disabilities. All Fixed Route buses are wheelchair accessible with ramps or lifts, securement areas, and both visible and audible stop announcements.

Service Provided

LIFT is a shared-ride service, meaning Riders may travel with others who are going in the same direction. Drivers may stop to pick up or drop off other Riders along the way. Drivers cannot go inside a building to pick up or drop off Riders.

Operating Hours and Area

LIFT operates Monday – Friday 6:30 a.m. -7 p.m. and Saturday 8 a.m. - 6 p.m. We provide service within $\frac{3}{4}$ of a mile of our Fixed Routes. If you live outside the service area you may still ride LIFT if eligible, but you will need to get into the service area before we can transport you.

Eligibility

ADA rules require people apply and be found eligible in order to receive these tax-supported services. We base eligibility on your ability to use our Fixed Routes. We do not base it on a diagnosis of a disability or the type of mobility aid that you use. For example, using a wheelchair does not imply automatic eligibility since many people who use wheelchairs are able to use Fixed Route for many or all of their trips.

These are not factors for eligibility:

- Age
- Income
- Convenience
- Inability to drive, carry packages, or transfer from a wheelchair

The three categories of eligibility that may result in your approval are:

Category 1: Being unable to use Fixed Route by yourself.

Category 2: Lack of accessible vehicles, stations, or bus stops.

Category 3: Being unable to reach a boarding point or final destination.

We look forward to helping you use our services. We provide Travel Training if you need a little extra help to ride either Fixed Route or LIFT.

Contact us at (360) 442-5663 if you need help filling out this form or have any questions about our services.

- Talking about your mobility.
- Reading a bus schedule.
- Taking a short walk or roll.
- Practicing how to get on a bus.

If we need to conduct an assessment, your eligibility will be determined within 21 days of the assessment. We'll call to schedule it and we'll provide transportation to and from the assessment.

If an assessment is not required, we'll determine your eligibility within 21 days after we receive your complete application. Then we'll notify you of our determination in writing.
