How to Ride With RCT

If you need help planning your trip, use our online Trip Planner at www.rctransit.org or call Customer Service at (360) 442-5663. You can also have our travel trainer come and ride the bus with you the first few times until you get the hang of it. Travel training can be arranged by calling customer service or e-mailing customerservice@rctransit.org.

When you have determined which bus to catch and the time it is expected to arrive, follow these simple steps:

- 1) Wait at a RiverCities blue bus stop or shelter. The bus stop sign will have the route number of each bus serving that stop.
- 2) Be sure you are visible to the driver. Stand close to the sign or shelter and watch for the approaching bus.
- 3) Have your bus pass ready.
- 4) Allow other passengers to get off the bus before you board.
- 5) Show the driver your pass.
- 6) About one block before your stop, signal the driver by pulling the yellow cord on the wall near the bus window.
